WOLA-BILET 2-SAMPLE
SPEAKING TOPICS
SAMPLE SPEAKING QUESTIONS

SPEAKING SECTION

You will be asked two or three questions on a theme. You should try to talk about each question for

about 1-2 minutes. So, please give detailed answers.

The questions you will be asked are **in bold**. If the instructor feels that you need to elaborate your

answers, s/he will ask you some of the questions in *italics*.

THEME-1-: COMMUNICATION

Communication skills and effect on people

- **What do you think makes a good communicator? Do you consider yourself one?**

Do you think men and women communicate differently? If so, how?

What communication skills do you think a teacher needs? Why?

- **Do you think developments in technology are changing the way we communicate? How?**

- *Do you think communication skills are the same in every culture?*

- **What are some of the characteristics of a good communicator?**

Have you ever had to speak in front of a large audience? If so, how did you feel?

Do you think communicating with children is the same as communicating with adults? Why?

Does a person have to have training in order to be a better communicator? Why or why not?
